

1. ALLIANCE OF INDIAN WASTEPICKERS, NATIONAL MEETING, 24<sup>th</sup> 25<sup>th</sup> 26<sup>th</sup> April
2. FIRST GLOBAL STRATEGIC WORKSHOP, 27<sup>th</sup>-28<sup>th</sup> 29<sup>th</sup> April
3. FIFTH INTERIM STEERING COMMITTEE MEETING 29<sup>th</sup> 30<sup>th</sup> April
4. LABOUR DAY DEMONSTRATION, 1<sup>st</sup> May  
April 2012, Pune, India

### GLOBAL STRATEGIC WORKSHOP OBJECTIVES

|                             |  |
|-----------------------------|--|
| <b>General Objective</b>    | <ul style="list-style-type: none"> <li>⌘ To critically assess the technical and organizational/political advantages, disadvantages and implications of inclusive solid waste management (SWM) models around the world</li> <li>⌘ To provide waste picker organization representatives with information, analysis and tools that will assist their organizations to identify which inclusive SWM models best suit their needs and interests.</li> <li>⌘ To strengthen mobilization by waste pickers to achieve desirable inclusive solid waste management models as well as to resist threatens to their livelihoods</li> </ul> |
| <b>Specific Objective 1</b> | <ul style="list-style-type: none"> <li>⌘ Clarifying concepts: to understand what each of the following key concepts mean in each context and to try to develop a common global understanding: e.g; integration and inclusion; informal, formalization; regulated and formal; employment, self employment, enterprise and worker owned enterprise; private, public and private public partnership</li> </ul>  |
| <b>Specific Objective 2</b> | <ul style="list-style-type: none"> <li>⌘ To share information on and analysis of SWM models that include waste pickers, detailing the model, logistics, genesis, finances, revenue, and roles and responsibilities of different players and identifying the technical and political/organizational advantages, disadvantages and challenges of each</li> </ul>   |
| <b>Specific Objective 3</b> | <ul style="list-style-type: none"> <li>⌘ Sharing particularly exclusion models and global trends; detailing genesis, how they came about, why and how the model excludes wps, disadvantages of this kind of model, as well as explaining why some threatens trends are taking place (such as privatization, waste to energy plants, etc)</li> </ul>  |
| <b>Specific Objective 4</b> | <ul style="list-style-type: none"> <li>⌘ Examining policy/legal provisions (or provisions from the city/state governments) that enable such models</li> </ul>  |
| <b>Specific Objective 5</b> | <ul style="list-style-type: none"> <li>⌘ Examining actual (and possible) advocacy/struggle efforts that enable inclusive models and ensure their sustainability. Ie how was the model developed, what was necessary to get it agreed and implemented, what were the countervailing/opposition forces and strategies to overcome these, what efforts are required to make it sustainable</li> </ul>   |

## 1. ALLIANCE OF INDIAN WASTEPICKERS, NATIONAL MEETING, 24<sup>th</sup> 25<sup>th</sup> 26<sup>th</sup> April

### (PRE-EVENT FOR THOSE ARRIVING ON THE 23<sup>rd</sup> or 24<sup>th</sup>)

|  |   |
|--|---|
| <b>Day 1 Alliance of Indian Wastepickers Meeting<br/>TUESDAY 24<sup>th</sup> APRIL</b>   | <ul style="list-style-type: none"> <li>⤴ Arrivals of most international participants (during 23<sup>th</sup> and 24<sup>th</sup>)</li> <li>⤴ 10 am to 17 pm – Alliance of Indian Waste pickers ULB workshop, with participation of Asian waste pickers groups and activist, as well as Municipal Officers from the region.</li> <li>⤴ International participants attending as observers and special invitees</li> </ul>   |
| <b>Day 2 Alliance of Indian Wastepickers Meeting<br/>WEDNESDAY 25<sup>th</sup> APRIL</b> | <ul style="list-style-type: none"> <li>⤴ 8 am- 13pm- Field visits with all participants to see door to door collection, biogas, composting, (400 people approx)</li> <li>⤴ 14pm -18pm- Sharing lessons from field visits</li> </ul>   |
| <b>Day 3 Alliance of Indian Wastepickers Meeting<br/>THURSDAY 26<sup>th</sup> APRIL</b>  | <ul style="list-style-type: none"> <li>⤴ Arrivals of all international participants (during 25<sup>th</sup> and 26<sup>th</sup>)</li> <li>⤴ 8am- 13pm – end of AIW event, framing common demands.</li> <li>⤴ 15pm to 19 pm- Cultural event, sharing of songs, theatre plays, puppets, dancing, etc. Cultural integration all together! All participants to prepare their own activities to be presented (songs, theater, etc depends on the region)</li> <li>⤴ 20 pm – Dinner after drum circle at Yashada lawns</li> </ul> |

## 2. GLOBAL STRATEGIC WORKSHOP AGENDA , 27<sup>th</sup> 30<sup>th</sup> April

|   |  |
|---|--|
| <b>Day 1 Global Workshop<br/>FRIDAY 27<sup>th</sup> APRIL</b>   | <ul style="list-style-type: none"> <li>⤴ 8 am to 13 pm - Field visits for those international participants (approx 10) arriving that day or night before</li> <li>⤴ Rest of participants resting during the morning or eventually visiting KKPKP/SWaCH offices</li> </ul>        |
| <b>Group 1 (those arriving on 25<sup>th</sup> late at night and during the 26th)</b> <ul style="list-style-type: none"> <li>⤴ Door to door collection on foot</li> <li>⤴ Domestic and community composting visit</li> <li>⤴ Bio gas operation visit</li> <li>⤴ Meeting with citizens</li> </ul> | <b>Group3 (for all coming to the field visits on the 25th):</b> <ul style="list-style-type: none"> <li>⤴ Open forum discussion with KKPKP members . Understand their Union model, history and function (how they have achieve so many members?, how their bank work?)</li> </ul> |

| FRIDAY 27 <sup>th</sup> APRIL      | OBJECTIVE  | METHODOLOGY   | RESPONSABLE   |
|------------------------------------|--|---|---|
| 13pm - 14pm                        | Lunch all together   |   |   |
| 14:00- 14:30                       | Welcome and presentations  | Have some symbolic expression to start and welcome the workshop,  | Laxmi with Mohan  |
| 30 minutes<br>14.30 to 15:00       | Background - Agenda and expectations of the workshop   | Explanation where the idea of the workshop come from, the main goal we want to achieve, presenting the Agenda and open the floor to SOME people to say their own expectations, if possible e.g one per continent  | Lucia with Silvio (Leslie recording)  |
| 15 minutes<br>15:00 to 15:15       | Tea break  |   |   |
| 45 minutes<br>15:15 – 16:00        | Framing the Swach Model  | To present in plenary as a general framework, how modernization of solid waste can look like when inclusion of Wps is ensure, using the Pune example as learning experience.  | Malati (?) (Leslie recording)   |
| 1 hour 15 minutes<br>16:00 – 17:15 | to Understanding different models: arrive at a common understanding of meanings and challenges within each country context | Split into regional groups discussion (to facilitate language/translation issues basically!) and discuss about the different models they have in terms of inclusion into SWM, identifying how they are actually working, how they managed to achieve that goal (organizing? Government support?), which component is the strongest one on their model (e.g door to door, composting value added, etc) and deciding accordingly what they are going to present deeply next day. They will need to hear from those cities/groups that has nothing to share apart from problems and challenges so they can identify their main regional challenge as well (e.g privatization or other) | Nalini (Asia) Melanie (Africa) Lucia (Latinamerica) moderating groups discussion. (Federico, Kapita, Deia taking notes/recording) |
| 45 minutes<br>17:15 – 18:00        | Plenary presentation of differences understandings/models per region   | Each region/group will present in plenary using flipcharts for 15 minutes the summary of each discussion, clearly explaining what they mean and what they want to achieve as a model/type of inclusion in their region, as well as their key issue in terms of challenges/threatens for that model to be implemented. We will try to capture glossary of concepts/terms   | Chris<br>Reps choosen per group for presenting back to plenary (Leslie recording)   |
